PC:

We have perused the order passed at an interim stage dated 8.8.2003. We have been told that in the light of that order the respondent Nos.1, 2 and 3 have taken the steps for lifting the petroleum product as directed. We have been also told at the Bar that the petrol pump of the petitioner has been operational and is functioning now. Therefore nothing further is required to be done so far as the Civil Writ Petition is concerned, and the Civil Writ Petition stands disposed off accordingly.
